- Work well within a team environment with a minimum of supervision
- Attention to detail
- Strong work ethic
- Reliable and punctual
- Maintain clean working environment

Responsibilities

The responsibilities of the Full Time Panel Beater include:

- Assess and repair damaged vehicle body panels, including dents, scratches, and rust.
- Remove and replace damaged panels, components, and trim.
- Utilize hand tools, power tools, and welding equipment effectively and safely.
- Prepare surfaces for painting by sanding, priming, and masking as needed.
- Collaborate with paint technicians to ensure proper finishing of repaired areas.
- Maintain a clean and organized workspace, adhering to safety standards.
- Document repair processes and communicate progress to management and customers.
- Complete Ad-Hoc tasks as required.

Requirements

- Fully Qualified Panel Beater
- Previous experience as a Panel Beater
- Strong knowledge of automotive repair techniques and materials.
- Proficiency with hand tools and power equipment.
- Excellent attention to detail and problem-solving skills.
- Ability to work independently and as part of a team.
- Ability to lift heavy objects and stand for extended periods.

- Good communication skills.
- Strong work ethic and a positive attitude
- Reliable and punctual
- Forklift License (preferred but not essential)

Benefits

- Competitive salary and benefits
- A supportive and friendly work environment
- Opportunities for growth and skill development
- Be part of a team that values your expertise
